NEW ORLEANS HOMELESS MINISTRY

We are currently collecting sleeping bags for our New Orleans homeless ministry. We are also pack bags of goods to hand out to those we encounter. We will be going to hand the items out in October. We are also planning to prepare a meal to hand out as well. If you would like to donate a sleeping bag you can drop it off at the church. We need some volunteers who would be willing to go an help so please see Shan for more info.

Create in me a clean **heart**, O God, and renew a right spirit within me.

Blessed are the pure in **heart**, for they shall see God.
Matthew 5:8

Proverbs 27:19

For where your treasure is, there your **heart** will be also.
Matthew 6:21

Peace I leave with you; my peace I give to you. Not as the world gives do I give to you. Let not your **hearts** be troubled, neither let them be afraid.
John 14:27

Win the WORD

Anxiety in a man's heart weighs it down, but a good word cheers it up.
Proverbs 12:25

One of the worst feelings in the world is that of anxiety. When anxious times come they zap our energy and leave us feeling alone and overwhelmed. When anxiety bears down on us in full force, it leaves us feeling like we may never get through what we are up against, but almost always over time things settle down and our anxiety lifts. Our anxieties often stem from things like our own inabilities and failures, an approaching deadline, or concerns for the future. We have a way of convincing ourselves things are much worse than they usually are. One great cure for anxiety is given to us in **Proverbs 12:25**. It says *"Anxiety in a man's heart weighs it down, but a good word cheers it up."* Its amazing what a kind and encouraging word from a friend can do to lift us up. When we have people in our lives to help us focus on our strengths and not our weaknesses, and help us to realize that a missed deadline is not the end of the world, it helps ease the burden of our anxiety. God's good Word and the kind words of our friends will help us to overcome our anxiety. Make an effort today to speak a kind and encouraging word to someone you encounter. It may be just what they need to cheer them up. And speaking a kind word to others may even help relieve some of your anxiety as well.
