# 7 SCRIPTURES ABOUT THE HOLY SPIRIT

... "This," he said, "is what you heard from me; for John baptized with water, but you will be baptized with the **Holy Spirit** not many days from now."

**Acts 1:4-5 HCSB**

... "the Counselor, the **Holy Spirit** - the Father will send Him in My name - will teach you all things and remind you of everything I have told you".

**John 14:26 HCSB**

I will give you a new heart and put a new **Spirit** within you and cause you to follow My statutes and carefully observe My ordinances.

**Ezekiel 36:26-27 HCSB**

Then they were all filled with the **Holy Spirit** and began to speak in different languages, as the Spirit gave them ability to speak.

**Acts 1:4 HCSB**

Now the Lord is the **Spirit**, and where the **Spirit** of the Lord is, there is freedom.

**2 Corinthians 3:17**

When you heard the message of truth, the gospel of your salvation, and when you believed in Him, you were also sealed with the promised **Holy Spirit**.

**Ephesians 1:13**

... the **Spirit** also joins to help in our weakness, because we do not know what to pray for as we should, but the **Spirit** Himself intercedes for us with unspoken groaning. And He who searches the hearts knows the **Spirit's** mind-set, because He intercedes for the saints according to the will of God.

**Romans 8:26-27**

# Win the WORD

**Then Jesus spoke to them again: "I am the light of the world. Anyone who follows Me will never walk in the darkness but will have the light of life."**

**John 8:12 HCSB**

At 4550 East Avenue in Livermore, California hangs a light bulb which has been burning since 1901. It has been burning for 123 years (if only our modern lightbulbs would last so long)! The Livermore lightbulb has gotten a lot of attention throughout the years from both tourist and news outlets. There was even a party with food and live music held in 2001 to celebrate the bulbs 100th birthday. As impressive as it is for a lightbulb to burn for such a long period of time, it does seem odd to celebrate such a dimly lit light, a light that will eventually burn out. There is however a light that is worth celebrating. A light that is shining as bright as It ever has, a light that will never burn out. That light is Jesus. In **John 8:12** Jesus said "**I am the light of the world. Anyone who follows Me will never walk in the darkness but will have the light of life.**" Jesus is a light worthy of celebration because He is the light that shines in the darkness of our hearts and forgives our sins. Whether it be the Livermore lightbulb or any of the other lights we see around us they will all one day burn out, so let us seek a better light, Jesus Christ the light of the world.
